

EVERYONE COUNTS

The 2020 Census

By Evan Murakami

SUPPORTING PEOPLE
TO HAVE ACCESS AND OPPORTUNITIES IN LIFE

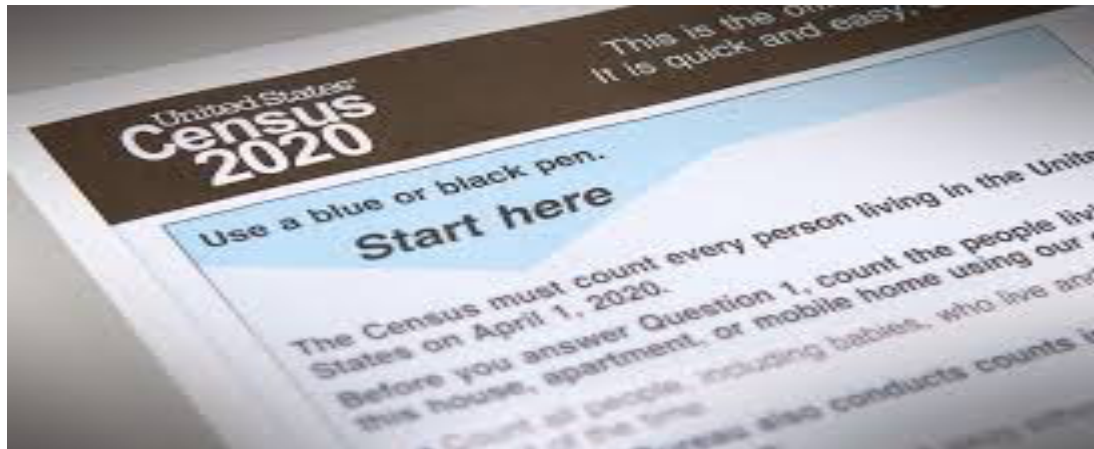

What is the Census?

- ▶ It counts every person in the United States.

How does the Census count every person?

- ▶ It's a questionnaire that asks you:
 - How many people live in your home
 - What are their ages
 - Where do you live
 - How many children in the home

Who completes the Census questionnaire?

- ▶ One person from each household completes the Census.

How often do we do the Census?

- ▶ Every ten (10) years

Why are we doing the Census?

- It tells the government how much money to give to each State and Community.

How will the Census help us?

- ▶ It tells the government what we need

Hospitals and Clinics

Fire Department

School

Roads

Police Department

Libraries

How does the Census help our State Legislators?

- ▶ It tells the government how many people we need to represent us in the House of Representatives.

How Do I Complete the Census?

Online

By Phone

By Mail
